Where can I find out how long I've got to withdraw without penalty after my course starts?

If you are struggling with any aspect of your course, NMIT support staff are available to help, whether it’s about study practice, time management, uncertainty about where your qualification will take you or difficulty understanding the content.

However, if you do need to withdraw, it is important that you do so officially so that you don’t miss out on any refunds or inadvertently create problems for yourself with StudyLink later on down the track.

Please read the Withdrawal Policy for more information.
