What is eTV and how do I use it as a staff member?

Glen French - 2021-08-24 - eBooks and eTV

eTV provides real-time and real-life resources through recorded TV programmes including live streams and on-demand videos. As an NMIT staff member (or student) you can access this unique service with free, live-streaming channels, a library of educational videos and an educational video shop. More info here.
