What is Referencing?

Tania Norfolk - 2019-09-18 - Referencing

View this video [1.46min] from the Robert Gordon University Library which gives a good overview of what referencing is and why we do it.

What is Referencing?

For more information, view the referencing page, on our library website, including a **free online Referencing course**.

You can also book a referencing session with a learning facilitator via the Learner Services team:
