

Connect to NMifi Wifi - Apple Devies

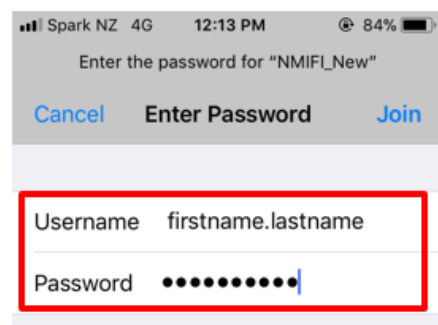

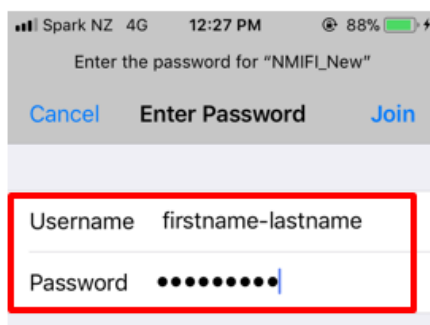

Connect to NMIT Wireless using an Apple device (iPhones, iMacs or iPads)

1. First Connect to NMIFI

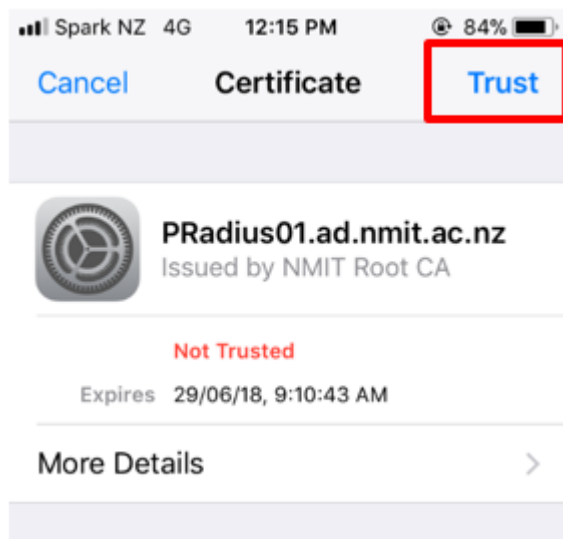

2. NMIT User option will ask you to provide your NMIT Username and the Password to continue.

(Format of the username - Student: Firstname-Lastname | Staff: Firstname.Lastname)

3. Correct username password will take you to this step which you will need to Trust the certificate

4. Now your device should connected to NMIFI network.
