

First Year Fees Free 2018

The Government is implementing one year free tertiary education for new domestic tertiary students for 2018 studying level 3 or above. More details are now available, including [FAQs](#) on what is covered and if you can study part time and a [quick guide for students](#). To find out if you are eligible for free fees in 2018 and to read the [FAQs](#), visit the website: <https://www.feesfree.govt.nz/>

Students who are eligible for NMIT's [half a degree for free](#) scholarship in 2018 will still receive half their fees for free in the second and third year. [Read the article for more about this.](#)

Apply as usual online and we'll take care of the rest.

If you have questions regarding [Youth Guarantee](#) funding or Fees Free funding, we do have places allocated for Youth Guarantee in 2018 - these cover levels 1-3 only.

Level 3 programmes are also eligible for Fees Free on one year of study.

If you are eligible for Youth Guarantee and are looking to study a level 3 programme, we suggest you apply for a Youth Guarantee place.

There are limited places and we will discuss your options, including if you are eligible for Fees Free study, if you are unsuccessful in securing a Youth Guarantee place.
