

How can I host an NMIT International student?

Do you have a spare room and time to provide a homestay for an international student?

NMIT is seeking families in Nelson or Blenheim willing to offer a place in their home to an international student for a set period of time.

We look forward to hearing from you if you are able to offer them:

- A home that is within easy walking distance of the campus *or* transport for students to and from the campus for the first 3 weeks and help with catching public transport afterwards,
- A safe, supportive, and welcoming environment in a kiwi family setting,
- An interest in learning about their country and culture,
- Airport pick up and drop off.

There are two homestay options - full board and independent. [More information](#)
