

How do I book a homestay?

Please book as early as you can, as homestay placements are limited. A minimum of eight working days notice prior to your arrival is required.

Once confirmed, you will be required to pay for one week in advance direct to the homestay when you arrive. Payment can be by bank transfer or cash. A notice period of two weeks is required if you would like to move out even if you chose to vacate within this period.

Where do you need accommodation?
