

How do I check my printer account balance?

Rachel Rees - 2016-09-30 - Using campus computers & printers

There are two main ways to check your printer account balance

1. [Login](#) using your NMIT Network login, then click on Summary to display usage and balance.
2. If you are based at Nelson Campus you can swipe your Student ID card in the autoloader located on Level One of the Nelson Library Learning Centre and enter your pin to see your account balance.
