

I'm not going to graduation do I still need to complete the Graduation form?

Yes you do, as we need to know where to and how you would like your award sent. We also need to know if you grant permission to publish your name in the Nelson Mail/Marlborough Express and the Graduation Booklet. If you do not complete the form, your name will not appear in the publications and you may not receive your award.

You must complete the [application to graduate](#) form by Friday 28 September 2018 by 5pm NZT.
