

What do I get out of the Internship with Study?

Completing an internship is a great opportunity if you want to:

- Gain real world knowledge and experience that directly relates to your programme of study
- Demonstrate understanding in your chosen field
- Acquire valuable new skills
- Grow your confidence
- Learn from industry professionals
- Connect with likeminded people
- Increase your chances of landing full time employment after graduation
- Receive a work reference from your internship supervisor / employer on completion of your internship, subject to satisfactory performance.
