

What happens if my programme or course is cancelled?

Sarah Ryder - 2016-05-24 - How to apply

We reserve the right to cancel or reschedule programmes or courses if insufficient enrolments are received. You will be advised as soon as possible if this applies to a programme or course that you are enrolled in. You can have a full refund of fees paid or can transfer to another programme and use your fees as payment. No transfer fee will be charged.
