

Course title

Level

Prerequisites

Viticulture & Winemaking

Semester 1 Year 1 starts 11-2-2019, Year 2&3 28-1-2019

RES502 Research and Communication Skills	5	
BVW501 Āronga Māori and Viticultural Practices	5	
BVW502 Wine Production	5	
BVW503 Wine Chemistry and Analysis	5	
MGT530 Organisations & Management	5	
BVW603 Kaitiakitanga and Vineyard Bio-protection	6	BVW501 Āronga Māori and Viticultural Practices
BVW604 Winery and Vineyard Engineering	6	BVW501 Āronga Māori and Viticultural Practices & BVW502 Wine Production
BVW606 Industry Practice - Winery (30 credits)	6	BVW502 Wine Production. Note: Vintage Practical Course
BVW701 Grapevine Physiology	7	BVW506 Industry Practice – Vineyard, BVW601 Te Tai Ao and Vineyard Management
BVW704 Winery Layout and Design	7	BVW604 Winery and Vineyard Engineering
BVW706 Applied Industry Project	7	BVW601 Te Tai Ao and Vineyard Management or BVW602 Wine Science (as appropriate to project), BVW605 Applied Research & RES602 Statistics and Experimental Design

Semester 2 - all years start 22-7-2019

BVW504 Tāne rāua ko ro Rongo and Plant Science	5	
BVW505 Papatūānuku and Soil Science	5	
BVW506 Industry Practice – Vineyard	5	Note: Practical pruning starts end of semester 1
BUS501 Business Environment	5	
ECN520 Economics	5	
MKT571 Principles of Marketing	5	
BVW601 Te Tai Ao and Vineyard Management	6	BVW501 Āronga Māori and Viticultural Practices, BVW504 Tāne rāua ko ro Rongo and Plant Science & BVW505 Papatūānuku and Soil Science
BVW602 Wine Science	6	BVW502 Wine Production & BVW503 Wine Chemistry and Analysis
BVW605 Applied Research	6	RES502 Research and Communication Skills. Co-requisite: RES602 Statistics & Experimental Design
RES602 Statistics and Experimental Design	6	RES502 Research and Communication Skills. Co-requisite: BVW605 Applied Research

Course title	Level	Prerequisites
BVW702 International Wine Industry	7	BVW601 Te Tai Ao and Vineyard Management, BVW602 Wine Science
BVW703 Kaitiakitanga and Sustainable Grape and Wine Production	7	BVW602 Wine Science, BVW603 Kaitiakitanga and Vineyard Bio-protection, BVW604 Winery and Vineyard Engineering
