### PURPOSE

To provide a framework and set of principles relating to student withdrawals and related financial and academic impacts of those withdrawals. The policy and associated procedures are designed to ensure that all regulatory requirements are met; and that students and staff have access to clear information on processes and impacts in regard to a student's request to withdraw from any NMIT course or programme.

To describe provision of appropriate guidance and support to students when they are having difficulty continuing with their course or programme, before any withdrawal is implemented.

To ensure an auditable trail of communications and withdrawal procedures followed is maintained for all students.

The operational aspects of this policy are detailed in the ***Withdrawal Procedure***.

Note: NMIT's refunds and charges for withdrawals for domestic and international students are outlined in the following policy documents:

***Fees, Charges and Refunds [Domestic Students]***

***Fees, Charges and Refunds [International Students]***

### PRINCIPLES

NMIT's withdrawal practices are governed by fair, transparent and academically sound principles.

Students who are experiencing difficulties in continuing on their course or programme should seek support from their tutor, Programme Coordinator or Student Learning Advisor or training provider. The student and their tutor, Programme Coordinator, Student Learning Advisor or training provider should identify options for the student to continue their studies, unless there are circumstances outside NMIT's control that are preventing the student from continuing.

In exceptional cases, the Director of Finance and Business Improvement has the discretion to approve refunds outside of policy. A Cancellation/Withdrawal Form must be completed and submitted along with supporting documentation.

## SCOPE

All NMIT programmes and courses.

## POLICY

Students requesting a refund must formally withdraw from a course or programme by following the procedures set out in the Withdrawal Procedure document.

The official withdrawal date is the date that the Head of Department signs the Cancellation/Withdrawal form. The date can only be backdated by the Head of Department if there is supporting documentation.

If a student is withdrawing from a course or programme and a student ID card has been issued, the student ID card must be submitted to the Information and Enrolments team and any debts paid, as indicated on the Cancellation/Withdrawal form, before a refund can be authorised.

Where a student withdraws from a programme after commencement but before fees are paid and before the last date for withdrawal, any refund amount is deducted from the fees payable and the student is responsible for payment of outstanding fees as notified.

The student's enrolment status will only be changed on NMIT's Student Management System as part of a formal withdrawal process.

Students withdrawing from course occurrences that have not started are entitled to a refund (see [Cancellation/Withdrawal Impacts table](#) page 5 for details)

A NMIT Programme Area can, independently of the student, instigate the withdrawal process. (NMIT-instigated withdrawal). Programme Area decisions to withdraw a student can be based on but are not limited to:

- Non-attendance, including non-starters
- Enrolment at the wrong level
- Misconduct – students who have been excluded from NMIT programmes or courses may be withdrawn from any course(s) not yet started (and refunded the associated enrolment fees as appropriate).

See **Withdrawal Procedure** for process

Reasons for a student instigating a withdrawal or course cancellation may include but are not limited to:

- Enrolment at the wrong level
- Enrolment on the wrong programme
- Change in personal circumstances

See **Withdrawal Procedure** for process

### **StudyLink Loans and Allowances**

Withdrawal or Enrolment Cancellation from some or all courses / programmes may affect a student's eligibility for benefits including loans, allowances and living costs. Students are responsible for notifying StudyLink of any changes to their programme of study, including withdrawals.

### **Non-attendance after 60% of a course or programme has elapsed**

A student cannot withdraw after 60% of a course or programme has elapsed. Students who stop attending after this time are required to inform StudyLink or Immigration New Zealand of their change in study status.

The Information and Enrolments Centre Manager at NMIT is obligated (on advice of Programme Area staff) to notify StudyLink or Immigration New Zealand should a student stop attending a course or programme.

Domestic Students who are receiving a StudyLink allowance may be affected.

### DO I GET MY MONEY BACK IF I CANCEL MY ENROLMENT OR WITHDRAW?

There are different rules for Domestic and International students. See the following documents on the NMIT website:

Domestic Students: [FEES, CHARGES AND REFUNDS \(DOMESTIC STUDENTS\)](#)

International Students: [FEES, CHARGES AND REFUNDS \(INTERNATIONAL STUDENTS\)](#)

### WHAT RESULT DO I GET IF I CANCEL MY ENROLMENT?

If you **cancel your enrolment**, you will not have an Academic Record for the cancelled course(s) or programme.

### WHAT RESULT DO I GET IF I WITHDRAW?

If you **withdraw** from your course(s) or programme, your results will be "Withdrawn". You may not withdraw after 60% of the course has been delivered. If you do not meet course completion requirements your result will be a fail grade.

### WHAT HAPPENS TO MY STUDENT ALLOWANCE IF I CANCEL MY ENROLMENT?

If you cancel your enrolment or drop a course you may not be studying full-time anymore, which means you may not qualify for the Student Allowance. Your Student Allowance needs to stop from the day you stop studying full-time.

If you don't tell StudyLink, you could be overpaid, which means you'll have to pay the money back. **Contact StudyLink to discuss your options.**

### WHAT HAPPENS TO MY STUDENT LOAN IF I CANCEL MY ENROLMENT?

If you cancel your enrolment or drop a course you may not be studying full-time anymore, which means you may not qualify for the Student Loan living costs. Your living costs need to stop from the day you stop studying full-time.

If you don't tell StudyLink, you could be overpaid, which means you'll have to pay the money back.

If you have used your Student Loan to pay for your fees and you are entitled to a fee refund, this will be paid by NMIT directly to StudyLink.

### WHAT HAPPENS TO MY STUDENT ALLOWANCE IF I WITHDRAW FROM A COURSE OR PROGRAMME?

Your Student Allowance needs to stop from the day you stop studying full-time.

If you withdraw, it could mean that you won't pass enough courses to receive a Student Allowance in the future. **Contact StudyLink to discuss your options.**

### WHAT HAPPENS TO MY STUDENT LOAN IF I WITHDRAW FROM A COURSE OR PROGRAMME?

Your Student Loan living costs need to stop from the day you stop studying full-time. If you withdraw from a course or programme and don't tell StudyLink, NMIT is required to tell StudyLink.

If StudyLink are informed that you are no longer studying, your loan may be suspended. That means you won't get any money for living costs, and any payments for fees and course-related costs will be put on hold.

If you withdraw from your course you are still responsible for repaying your Student Loan. **Contact StudyLink to discuss your options.**
