How do I place a reservation?

Sharon Thomas - 2025-12-18 - [Library services](#)

You can place reservations on items you require via the [Library Catalogue](#), or you can [download the Liberty Link Mobile app](#) to place a reservation via your mobile device.

Follow the instructions below to place your reservations.

The Library will send an email to your student account to advise when the book is ready for collection.

If you need more information email library@nmit.ac.nz.
