What is a Training Scheme?

Juanita Semmens - 2018-01-25 - [Short courses](#)

"A training scheme is defined in section 159 of the Education Act 1989 as study and training that leads to an award but does not, of itself, lead to a qualification listed on the New Zealand Qualifications Framework (NZQF)." - NZQA.govt.nz

NMIT offer a range of qualifications, including Certificates, Diplomas, Graduate Diplomas, Bachelor Degrees, Postgraduate Diplomas and a Masters.

We also offer Training Schemes, which are made up of NZQA approved courses, but do not lead to a NZQA qualification. Instead, upon completing the required courses for a Training Scheme, you receive a Training Scheme award.
