

Can I continue to use the library when I have finished my studies? How much does it cost?

Rachel Rees - 2021-11-10 - Library services

You are eligible for **one year's free** Alumni honorary library membership the year after graduating from NMIT. This allows you to borrow from the library's main collection, but not the 3-day loan collection. Note, membership excludes login to NMIFI, Campus PC's, and access to electronic resources such as databases and eBooks.

Further individual library membership is available for a yearly fee of \$80.00.
