

Can I loan a laptop for my studies?

Sharon Patterson - 2020-10-01 - Technology Access Fund for Learners (TAFL)

Students experiencing difficult circumstances can request a loan laptop via the Technology Access Fund for Learners (TAFL) to help with their studies online or off-campus. These are medium to long term loans issued to an individual for the duration of the course.

You can also request to go on a subsidised internet scheme if you don't have broadband at your home address.

Neither scheme is available for international students or those on short courses, or as temporary loans of less than a month.
