

Can I loan a laptop for my studies?

Sharon Patterson - 2021-04-29 - Technology Access Fund for Learners (TAFL)

If you are experiencing difficult circumstances and do not have access to a device or laptop you can request a loan laptop via the Technology Access Fund for Learners (TAFL) to help with online or off-campus study.

Requests can be made through your tutor, [SANITI](#), [Te Puna Manaaki](#), [Pasifika Support](#), or the [Wellbeing Team](#).

The loans are medium to long-term and issue to an individual for the duration of their course.

A subsidised internet scheme provided by Skinny is available if you don't have WiFi broadband at your home address, refer <https://www.skinny.co.nz/jump/home/>

The laptop scheme is not generally available for international students or those on short courses, or as temporary loans of less than a month.
