

Can I park my car on campus in Nelson?

Are you a student at NMIT? If so, you can park your car in the campus car parks. These are not guaranteed and are offered on a 'first come, first served' basis. You'll need to ensure that you display a valid NMIT parking permit on your windscreen which gives you access between 8am and 5pm weekdays. This will be issued at the time of your enrolment. Standard parking rules apply and these are displayed on nearby signs.

Parking is monitored and infringements for failure to follow the parking rules are \$65.00.

No overnight stays, or camping, in any vehicle self-contained or non-self-contained is permitted in NMIT carparks. The local Councils have information on where freedom camping is allowed in their region and other camping options. Please contact SANITI to discuss your situation if this affects your situation as they may have some options for assistance.
