

Can I withdraw from a course or programme once it has started?

Sarah Ryder - 2018-08-09 - How to apply

If you want to withdraw from a course or programme once it has started, you will need to contact your programme area for a Withdrawal/Refund Application form.

You'll need to complete and sign the Withdrawal/Refund Application form and submit it to the Head of Department for consideration.

If you are receiving a student loan or student allowance, you must notify StudyLink yourself.

An administration fee may be charged for each withdrawal.

Full details of our policies on transfers, withdrawals and refunds can be found using the links below.
