

Connect to NMifi Wifi - Apple Devices

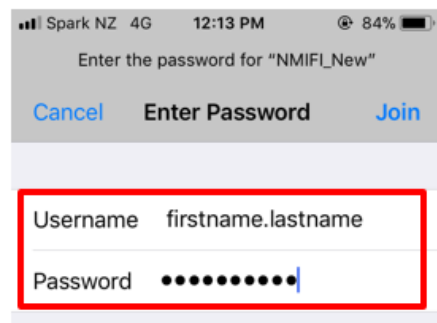

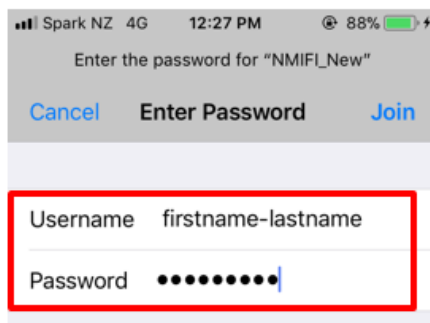

Connect to NMIT Wireless using an Apple device (iPhones, iPads or iPads)

1. First Connect to **NMIFI**

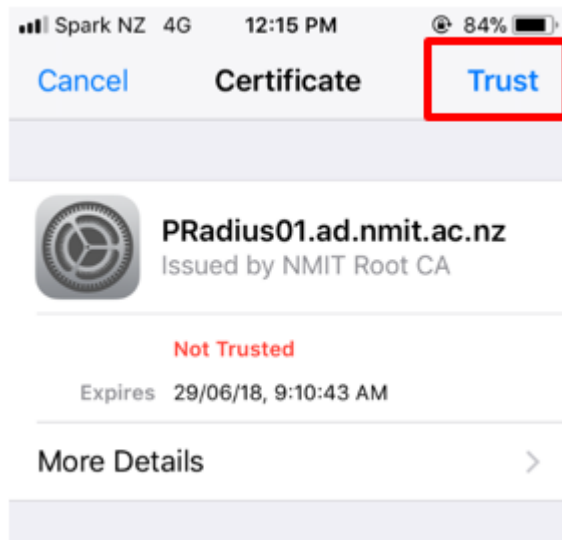

2. NMIT User option will ask you to provide your NMIT Username and the Password to continue.

(Format of the username - Student: **Firstname-Lastname** | Staff: **Firstname.Lastname**)

3. Correct username password will take you to this step which you will need to Trust the certificate

4. Now your device should connected to NMIFI network.
