**For urgent assistance for ākonga health, safety or wellbeing**, anyone can call 24/7 0800 422 733 or +64 3 5462333 from outside the NZ network.

For non-urgent assistance for health, safety, well-being, or learning needs you can contact a [Te Tautoko Ākonga - Student Support Service](#) (self-refer), or kaimahi (staff members) or other people can refer you to a relevant service.

[Te Tautoko Ākonga - Student Support](#) teams can be contacted directly (in person, by email or phone), or by using the [easy online request support form](#).

If you are unsure of which service to contact, email [learnersuccess@nmit.ac.nz](mailto:learnersuccess@nmit.ac.nz).
