

## How do I add credit to my printer account balance?

### **Nelson Campus students**

You can add credit to your balance using the autoloader located on Level One of the Library Learning Centre. Alternatively, go to the Information and Enrolment Centre desk in A Block to add money to your printer account. The minimum amount you can add is \$2.00. (EFTPOS is available.)

### **Marlborough Campus students**

Go to the Administration Office for assistance.
