How do I connect to Wi-Fi on a Windows Laptop or Tablet

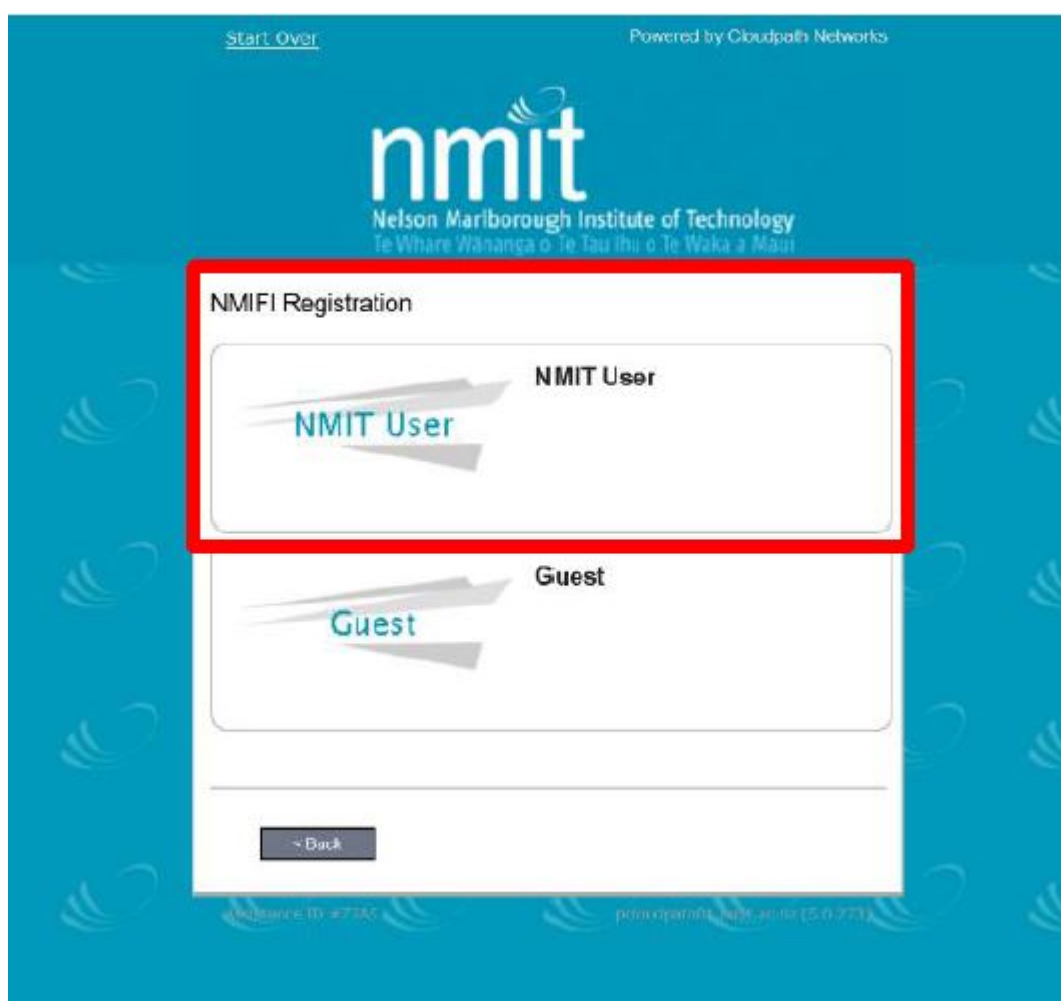

1. Connect your device to **NMIT-Wireless**

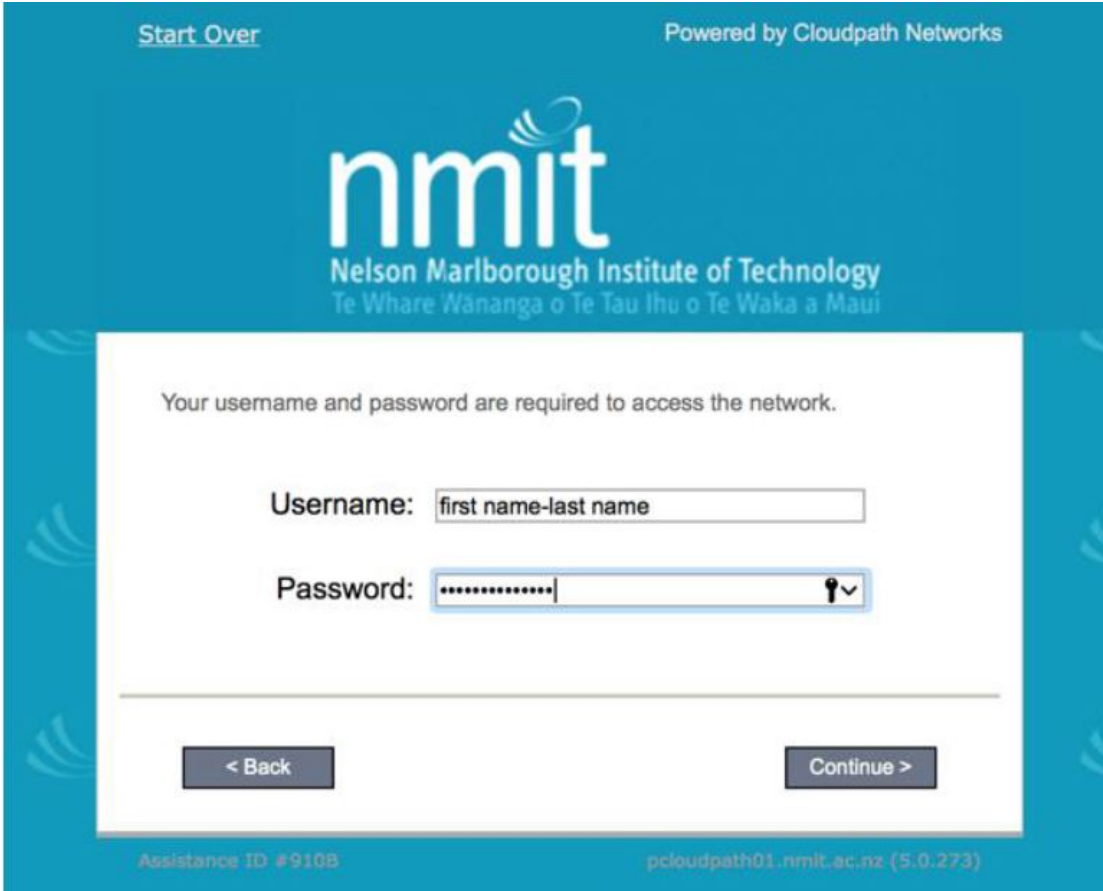

2. Open Internet Explorer or Google Chrome and browse to any web page. (nmit.ac.nz), if this does not redirect you to <https://pcloudpath01.nmit.ac.nz/> then you will need to type the address in your browser. Read and agree to the terms and conditions and if you agree with it check the box and click on **Start**

3. Select **NMIT User**

4. The NMIT User option will ask you to provide your **NMIT Username** and **Password** to continue. (Format of the username – Student: **First-Lastname** Staff: **First.Lastname**)

The image shows the NMIT login interface. At the top, there is a blue header with the text "Start Over" on the left and "Powered by Cloudpath Networks" on the right. The NMIT logo is centered, featuring the word "nmit" in a large, white, sans-serif font, with a stylized signal icon above the "i". Below the logo, the text "Nelson Marlborough Institute of Technology" and "Te Whare Wānanga o Te Tau Ihu o Te Waka a Maui" are displayed in a smaller, white font. The main content area is a white box with a blue border. It contains the text "Your username and password are required to access the network." followed by two input fields. The first field is labeled "Username:" and contains the placeholder text "first name-last name". The second field is labeled "Password:" and contains a series of dots, with a key icon and a dropdown arrow on the right. Below the input fields are two buttons: "< Back" on the left and "Continue >" on the right. At the bottom of the page, there is a blue footer with the text "Assistance ID #9108" on the left and "pcloudpath01.nmit.ac.nz (5.0.273)" on the right.
