

How do I find accommodation?

Finding the right accommodation is very important for the success of your studies and we are here to help.

Our cultural advisors can organise your accommodation within a homestay family if you wish to experience life in a New Zealand household for 8 weeks or longer. If you require backpacker or Hostel Accommodation please make enquiries via commercial providers websites.

Select a campus below for more information about accommodation options.

- [Nelson campus](#)
- [Marlborough campus \(including RNZAF Base Woodbourne\)](#)

For Nelson and Marlborough you can [request accommodation](#)
