

How do I get my Certificate, Ticket or Licence from Maritime New Zealand?

Juanita Semmens - 2017-12-04 - Maritime New Zealand (MNZ)

To work at sea, in New Zealand waters, you will require the appropriate Certificate, Ticket or Licence from [Maritime New Zealand](#). To get this you will need to [apply directly to Maritime New Zealand](#), with the required documents (e.g. Application form, sea time, medical certificate, approved qualification).

NMIT/IMINZ provide **approved training/qualifications** for many Maritime New Zealand Certificates, Tickets and Licences, however the **training/qualification** you receive is only part of your application to [Maritime New Zealand](#).
