

How do I log in to Moodle?

To log in to Moodle

1. Follow the link from the NMIT Current Students Home page or click [here](#).
2. Login using your NMIT username and password, (if using NMIT PCs this is automatically done for you)

Once logged in

- Click on your name at the top right to view your personal profile - you need to check your profile is correct and lists the email address that you check most often. Select **Edit profile** to change any details.
- Check your courses are listed on your **My Courses** page. Contact your tutor if a course you expect to see isn't listed.
- Click on a course name to see the materials your tutor has made available, to submit assignments or to participate in any online class activities.
