How do I reference using APA format?

Tania Norfolk - 2019-09-18 - [Referencing](#)

This [video](#) gives you an introduction into how to reference a book in APA format.

For more information, view the [referencing page](#), on our library website, including a **free online Referencing course**.

You can also book a referencing session with a learning facilitator via the Learner Services team:

in person: M Block Service Desk

phone: 03 5395068
