How do I reset my MyNMIT password?

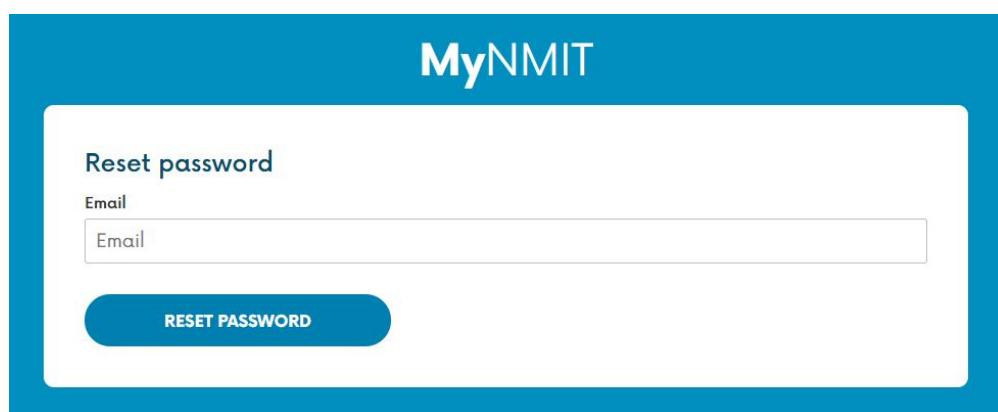

Olly Barrett - 2019-02-10 - [Signing in](#)

If you have forgotten your password then you can simply set a new one by clicking on the **Forgot password** link on the [MyNMIT sign in](#) page.

The image shows a screenshot of the MyNMIT sign-in page. The page has a blue header with the text "Sign in to MyNMIT". Below the header, there are two input fields: "Email" and "Password". To the right of the "Password" field, there is a blue link that says "Forgot password?". This link is circled in yellow. Below the input fields, there is a blue button that says "SIGN IN".

You will be taken to a page where you need to enter the email address you have previously registered with MyNMIT.

The image shows a screenshot of the MyNMIT "Reset password" page. The page has a blue header with the MyNMIT logo. Below the header, there is a white box with the text "Reset password". Inside this box, there is an "Email" label and an input field for the email address. Below the input field, there is a blue button that says "RESET PASSWORD".

Once you click Reset password you will receive an email to your inbox with a link to set a new password.
