How to connect to Wi-Fi using an iPhone or iPad

helpdesk@nmit.ac.nz - 2025-06-06 - Connecting to WiFi

## Connect to Wi-Fi using an iPhone or iPad

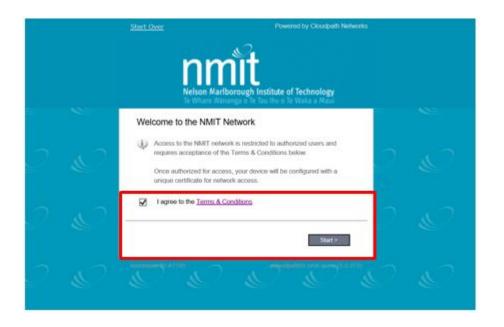

(Your device must have a passcode set to be able to access the Wi-Fi at NMIT)

	iCloud				

1. Open Settings > Wi-Fi and connect your iPhone or iPad to the NMIT-Wireless

2. Open Safari (or other browser) and browse to nmit.ac.nz, this will redirect you

to <u>https://pcloudpath01.nmit.ac.nz</u>. Read the terms and conditions and if you agree with them check the box and click on **Start** 

3. Select the appropriate registration for you.

4. If you have a user account, choose the **NMIT User** option and provide your NMIT Username (**Student** first-lastname, **Staff** first.lastname) and Password. Click **Continue**.
