Install Microsoft Office on a mobile device

Click the link -> [Visit Office 365 Software install](#)

1. Select your device from the list shown on the link above and follow the instructions.

Also you can use App Store (Apple) or Google Play Store (Android) then search for Microsoft Apps (eg: Word, Excel, Outlook etc) and get them installed on to your device.

Compatibility

- Not all devices will be compatible and you will receive a message advising that “Your device is not compatible with this version”.
- Not all Apps are available on all devices.

Maintaining your Office 365 Subscription

1. You must use an Office 365 application at least once every 30 days otherwise your subscription only permits you to view or print. Whilst you are still an student at NMIT re-connecting restores full functionality.
2. Your student Office 365 subscription expires three (3) months after your course end date, at which point you will only be able to view or print documents. To continue using Microsoft Office you will need to purchase a subscription.
