## **I need to type macrons when using Māori language in my assignments. Is there an easy way to do this?**

Michael Nicholson - 2016-06-27 - [Study and learning](#)

There is a very easy way for you to be able to type words and phrases in Māori and insert macrons into your text. This involves installing the reo Māori keyboard onto your computer and then using the macron key. This video by our tutor Craig Shepherd shows you how.
