

What courses do I need to take to become a member of CA ANZ or CPA Australia?

Amy Hofman - 2019-01-09 - Professional Accounting

If you wish to become a Chartered Accountant or a Certified Practising Accountant you must submit your Bachelor's Degree to [Chartered Accountants Australia New Zealand](#) (CA ANZ) or [Certified Practising Accountants Australia](#) (CPA Australia) who will inform you which courses you will need to study on the Graduate Diploma in Professional Accounting Programme.

This process can take up to 12 weeks and you will need to pay a fee to these organisations.

Your course selection may vary depending on this information to ensure you meet the requirements of both NMIT and your chosen professional body.
