What happens if my programme or course is cancelled?

Sarah Ryder - 2016-05-24 - [How to apply](#)

We reserve the right to cancel or reschedule programmes or courses if insufficient enrolments are received. You will be advised as soon as possible if this applies to a programme or course that you are enrolled in. You can have a full refund of fees paid or can transfer to another programme and use your fees as payment. No transfer fee will be charged.
