

What if I change my mind about studying or want to change to another programme for domestic students?

You can withdraw from a course within 3 weeks of commencement and receive a full refund. (There may be an administration fee of \$100.00). After this time, but before 60% of a course is completed, you can withdraw without refund and the course will not appear on your academic record as a fail. You cannot withdraw after 60% of the course has been completed. International students are not eligible for a refund once they start their programme. Only exceptional circumstances will be considered for transfers. Cost to change a programme will incur variation of condition costs at the student's expense.
