Term

A homestay is usually an arrangement of between 12 to 52 weeks. It may be possible to stay longer but it will be necessary for you to negotiate this directly with the homestay.

Homestay service is available for a 4 weeks minimum stay. If you plan to stay less than 4 weeks, please contact the local commercial accommodation providers by yourself.

Fees

Fees to your homestay should be paid two weeks in advance by automatic payment.

Holiday

You will continue to pay the full price of the homestay if you are away from the homestay for less than five consecutive days. For holidays over 5 days in length, 50 percent of your standard homestay rate is charged.
