What is my student email address?

Your NMIT email address has the same format as your NMIT user name, preferredname-lastname or firstname-lastname, followed by @live.nmit.ac.nz, i.e. joe-bloggs@live.nmit.ac.nz

This will be your primary email address for all communication with NMIT, while you are studying.

Please note: to avoid duplicate accounts, some students may have a number added to their user name /email address e.g. joe-smith2@live.nmit.ac.nz

If there are any problems with your username and/or email address, please contact [03 539 5068](tel:035395068), or email library@nmit.ac.nz or enrolments@nmit.ac.nz. For on-campus assistance visit the Library Learning Centre helpdesk, or Enrolments Team.
