What is student discount and how do I get it?

Rachel Rees - 2020-05-28 - [Financial aid](#)

As an NMIT student, you are entitled to a range of discounts in local business from cinema tickets to food, clothes and books.

You can find a Discount Directory via the [SANITI website](#) (or get one in person next time you're passing the SANITI team). Note, not all businesses who offer discount are listed on the directory, so don't be afraid to ask any store whether they offer student discount, and have your NMIT student ID card with you.

If you have any financial worries, you are welcome to discuss them with [SANITI](#) who will give you advice and help you to get back on track.
