

## What is the Library Learning Centre?

The Library Learning Centre is your hub for study, research, collaboration, networking, and advice.

### **Library Learning Centre (Nelson Campus)**

The three level Library Learning Centre is our buzzing onsite learning hub. Downstairs you will find the Fishbowl Computer Café where you can access your online course material. With campus-wide free WIFI.

### **Café and Library (Marlborough Campus)**

Take some important time out at our onsite café, or hit the books in our library - you'll find the right spaces to study and relax here on campus. You are also online with free campus-wide WIFI.
