

Which courses can be studied part-time?

Sarah Ryder - 2016-05-18 - How to apply

Many of the programmes and courses we offer can be studied part-time. Take a look under **Study Options** on each programme page.

Here's an example:

The screenshot shows a course page on the nmit website. The header includes the nmit logo, a 'Sign In' button, a 'MENU' button, and a 'SEARCH' button. Below the header is a banner image of students. On the right side of the banner are icons for 'PRINT', 'DOWNLOAD', and 'SHARE'. The main content area is divided into two columns. The left column contains the following information: 'LEVEL' (5), 'STUDY OPTIONS' (Full time AND/OR part time, circled in red), and 'TOTAL CREDITS' (120). The right column contains: 'LOCATIONS AND DATES' (Nelson: 20 February 2017), 'LENGTH' (One year fulltime (42 Weeks, including 6 weeks of study breaks)), and 'FEES *' (\$5,816.00 plus \$240.00 Student Services Levy, with a note that fees are indicative only). At the bottom right of the page is a blue 'APPLY NOW' button.
