

Who do I speak to about enrolment, transfer, refund or withdrawal?

The Information and Enrolment Centre team process all enrolments and provide advice on applications, enrolment, re-enrolment, withdrawals, transfers and refunds for all students. They can also assist you with visa applications and medical or travel insurance.

You can talk to the Information and Enrolment team at main reception in A Block at the Nelson campus or you can email them at international@nmit.ac.nz.
