

New Zealand Diploma in Outdoor and Adventure Education (Multi-skilled) (Level 5) 2024

Food Costs for Overnight Trips

A major part of working in the Adventure Tourism Industry revolves around your ability to plan menus, prepare and serve food to clients in the field. During your time with us you will be given some of the basic skills to allow you to do this well. Part of your course fees go towards the cost of food, however you will still be required to pay between \$200-300 dependant on option choices, towards food cost, you will be invoiced for this and it will be required to be paid before the start of your studies. This will cover a large majority of your away trips in semester 1 and 2 (except Snow and Tramping).

Please note extra costs

There are some extra costs associate with take some courses in the Year 2 Level 5 programme, the ATG520/ATG521 course have an associate fee of approximately \$350 (based on 2021) that covers the pass to the ski field.

All students will require the following items and industry gear as a minimum requirement for the programme. Students are expected to have the items and gear by the first day of each course, so they can learn to use them properly. The Coordinating Tutor can be contacted for information and advice regarding suitable gear. NMIT wetsuits, helmets, PFDs (personal flotation devices), harnesses, snowboards/skis, tents etc. are not available for students in the Adventure Tourism and Guiding programme at level 5.
