

What is SANITI?

Rachel Rees - 2018-09-27 - SANITI

SANITI is your fun, friendly and independent student association providing events and services to NMIT students on all campuses.

SANITI's goal is to ensure a fair deal for students. They are your first point of call for help and advice on anything and everything.

A few facts:

- SANITI is the acronym for Student Association of Nelson-Marlborough Institute of Technology Incorporated.
- The team is located on the Nelson Campus and visits the Marlborough and Woodbourne regularly.
- From 1999 to 2001, despite the efforts of a few valiant volunteers, there was no Student Association at NMIT. In March 2002 students at NMIT voted to establish a compulsory Student Association. SANITI was registered as an Incorporated Society in August 2002.
